CAMP PHILOSOPHY

MEET OUR EXPERIENCED STAFF

CAMP OVERVIEW (FULL DAY 8:00AM-5:00PM)

MISSION STATEMENT:

At **TOP PROSPECTS HOCKEY SCHOOL**, we pride ourselves on our knowledge and understanding of the game of hockey. Our commitment is to assist young players in developing the skills necessary to achieve success at the highest level possible. As coaches, it is our job to teach, correct and reinforce, while maintaining a fun and positive learning environment throughout the school, camp, or clinic.

We believe that a player's development is determined by his/her own dedication and effort in conjunction with the teaching/instruction of a highly trained and motivated staff.

FUN! FUN! FUN!

As we all know, the game of hockey is all about making friends, healthy, safe competition, learning invaluable work habits and life lessons, understanding teamwork and most importantly having FUN! Regardless of how much a player improves, how hard he/she works, and how tired he/she is at the end of the day, if that player does not have fun, the camp has not been successful.

Ensure that your son/daughter has an enjoyable experience with us this summer by registering with friends and taking advantage of our special promotional discount. (See the reverse of this brochure for more details about this special promotional offer and other discounts and savings available).
